CALFED
BAY-DELTA
PROGRAM

Public Comment

Date Aug. 11, 1999

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I strongly support water
conservation as opposed to building more
dams and canals. Please consider
technology pertaining to water usage
efficiency.

I also sincerely urge you not to
begin building a canal around the Delta,
a body of water which needs water to flow through
it.
